DETAILED ACTION

Remarks

1. In response to the amendment filed on March 11, 2005, claims 1-22 have been cancelled. Therefore, claims 23-28 are now pending in the application.

Reasons for Allowance

- 2. Claims 23-28 are allowed over the prior art made of record.
- 3. The following is a statement of reasons for allowance:

The prior art of record (Yogeshwar et al. -U.S. Pub. No. 2004/0096110 A1) does not disclose, teach, or suggest the claimed limitations of (in combination with all other features in the claim), provide the compressed source data to the first decoder so that the compressed source data can be uncompressed; receive back modified source data that has been modified in some way so that the modified source data is different from the original source data, as claimed in independent claim 23.

Claims 24-28 are allowed over the prior art made of record, because it is dependent from the allowed independent claim 23.
